Introduction to Key Action 1 Mobility of Individuals

Erasmus+ is open to organisations across all sectors of education, training, youth and sport. Any public, private or not-for-profit organisation actively involved in these areas may apply for funding. The overall programme objectives are to:

- Boost skills and employability
- Modernise education, training and youth work
- Focus on young people.

Key Action 1: Learning Mobility of Individuals is all about providing opportunities for individuals to improve their skills, enhance their employability and gain cultural awareness. Under Key Action 1 organisations can apply for funding to run mobility projects. These projects enable organisations to offer structured study, work experience, job shadowing, training and teaching opportunities to staff and learners.

A valid mobility project cannot include any activity with the sole aim of making financial profit; neither can it include any activities which can be considered as holiday travel or tourism. Similarly, attendances at festivals or activities which can be considered as a performance tour are also outside of the scope of the youth mobility action.

Key Action 1 for Youth

Young people and organisations in the UK that are active in youth work can apply for youth mobility funding under Key Action 1. A maximum of 25% of the 2016 Youth Key Action 1 budget can be allocated to Partner Country activities. Each project can last between 3 and 24 months, and organisations can apply for funding to support any of the following mobility activities within a project:

Types of Activities under Youth Key Action 1

Mobility of Young People – Youth Exchanges

- **Youth Exchanges** for people aged 13-30 (minimum age must be reached at the start of the activity, the maximum age must not be exceeded at the time of application), resident in the countries of the sending and receiving organisations lasting 5 to 21 days, excluding travel time. Group leaders involved in the Youth Exchange must be at least 18 years of age. In the case of informal groups of young people one of the group, who is at least 18 years old must assume the role of representative and take responsibility on behalf of the group.

Mobility of Young People – European Voluntary Service (EVS)
- **European Voluntary Service (EVS)** for people aged 17-30, resident in the country of their sending organisation, lasting 2 to 12 months. This is called long-term EVS.

- In case of activities involving at least 10 volunteers who are doing their service together (group service) or involving an equal number or majority of young people with fewer opportunities, the European Voluntary Service can last from 2 weeks to 2 months. This is called short-term EVS.

- If you are planning on including 17 year old volunteers in your project please contact us via erasmusplus.applications@britishcouncil.org prior to the application deadline to discuss. There are a number of additional requirements linked to Child Protection that you will need to address in order to be granted funding. Please note that the project approval will be conditional on provision of clearly documented evidence of appropriate risk management and safeguarding measures for those aged 17 years old.

- Volunteers can only take part in one European Voluntary Service. The only exception is where an individual has participated in an EVS lasting a maximum duration of 2 months excluding travel time. In this case the individual can be involved in an additional EVS.

- Projects can include between 1 and 30 volunteers.

- For volunteers taking part in long-term EVS projects, they can take advantage of on arrival training, which is provided. This is not something that can be claimed under Exceptional Costs. Please see the bottom of p.75 of the 2016 Programme Guide for more details.

For more information about the EVS Charter, its principles and the responsibilities of sending and receiving organisations involved in EVS projects, please see Appendix I on pages 45-49 of this document. We recommend that you read this carefully when writing your application and applying for EVS accreditation.

**Mobility of Youth Workers**

- Training and networking for youth workers of any age resident in the country of their sending or receiving organisation.

- The participation of youth workers in such activities contributes to capacity building of their organisation. And the learning outcomes should be cascaded.

- Youth Worker mobility activities can last from 2 days to 2 months, excluding travel time and can include up to 50 participants including trainers and facilitators.

**Note:** it is possible to apply for funding for more than one Youth Exchange, European Voluntary Service or Youth Worker mobility in one application. Alternatively you can make separate applications for different activity types. In either case, your application must demonstrate that the mobilities are supported by a clear and coherent project proposal, common objectives and project plan as the quality assessment will review the project holistically and look for coherence.

If you choose to run an activity involving partner countries, the whole of the budget for this activity (i.e. including all the organisations participating in this activity) will be funded out of the National Agency’s budget for partner countries, which is around 25% of the total budget for Key Action 1 Youth.

Where partner countries are included in an application, applicants must demonstrate that throughout the whole application, there is a balanced representation of both partner and programme countries as there needs to be added value to the European dimension.
List of Outermost Regions

The European Union classes nine geographical areas at Outermost Regions [none in the United Kingdom], which are geographically distant from the European continent:

- Guadeloupe, French Guiana, Martinique, La Réunion, Mayotte (5 French overseas departments)
- Saint-Martin (1 French overseas collectively)
- Madeira and Azores (2 Portuguese autonomous regions)
- Canary Islands (1 Spanish autonomous community)

List of Overseas Territories

Full information on the Overseas Countries and Territories that are eligible for Erasmus+ funding can be found on the European Commission website.

Travel to High Risk Countries and Territories

We recommend that you plan to comply with UK legislation and consider relevant national legislation in the country of each partner. In the UK, this includes the UK Data Protection Act 1998, and legislation/statutory guidance relevant at any time to the safeguarding and protection of children and vulnerable adults (for example, the UN Convention on the Rights of the Child and the Children Act 1989, Safeguarding Vulnerable Groups Act 2006). If your application is successful the signed grant agreement includes the following statement: “The beneficiaries shall have in place effective procedures and arrangements to provide for the safety and protection of the participants in their project”.

Consider the Foreign & Commonwealth Office’s travel advice for the countries to which you will travel or send participants, or travel through en route. We will ask you to observe their guidance: www.gov.uk/foreign-travel-advice and may not fund mobility in cases where the FCO advises against it.
Who is this guide for?

Please use this guide alongside our support video Completing the Application Form on the Erasmus+ YouTube channel that shows and explains each section of the application form.

This step-by-step guide is to help UK organisations complete the 2016 Erasmus+ Key Action 1 Learning Mobility of Individuals (Youth) application form. It is for organisations who are considering applying for funding for Youth Exchanges, European Voluntary Service (EVS) or Youth Worker mobility only. If you wish to apply for funding for Key Action 2 or Key Action 3, please see the ‘Apply for funding’ section on the UK website and choose the relevant field.

Before you begin

Before you begin your application, we recommend completing the following steps:

1. Read more about this type of project.
2. Check that you are an eligible organisation.
3. Read about organisational and financial capacity.
4. Register on the European Commission’s Participant Portal (unless you have done this previously).
5. Ensure you understand the quality criteria against which your application will be assessed.

1. Read more about this type of project

We recommend that you read the relevant sections of the UK Erasmus+ website and the European Commission’s Erasmus+ Programme Guide to find out more about Key Action 1 for Youth.

For Key Action 1 youth applications the relevant sections are:

- The Key Action 1 page of the UK website.
- The following sections from the 2016 Erasmus+ Programme Guide, which is available to download:
  - Pages 9-12 Objectives of the Erasmus+ Programme
  - Pages 21-24 Who can participate?
2. Check your organisation’s eligibility

The following organisation types are eligible to apply for Key Action 1 Erasmus+ youth funding:

- Public bodies at local, regional and national levels
- Non-profit organisations / NGOs / Associations / Social Enterprises
  In the UK this includes organisations such as:
  - Community Interest Companies (CIC);
  - Charitable Incorporated Organisation (CIO);
  - Registered charities;
  - Limited companies with no share capital;
  - Industrial and Provident Societies such as Cooperative societies (Co-op), Community Benefit Societies (BenCom).
- Private limited company (EVS applications as part of Corporate Social Responsibility agenda only).
- Informal groups of young people aged 13-30 (at least four people with one member of the group assuming the role of legal representative. The legal representative must be aged 18 or over at the start date of the activity).

Please be aware that applicant organisations must be legally registered in the United Kingdom. Therefore; Sole traders, Partnerships (other than Scottish Partnerships and Limited Liability Partnerships), Trusts and Unincorporated Associations are not eligible to apply for Erasmus+ funding.

We will check your organisation’s status at eligibility stage and if your organisation cannot be verified by the documents that you have uploaded to the participant portal, your application will be ineligible.

For more information, please see the specific eligibility criteria for Key Action 1 Youth projects on pages 75 - 88 of the 2016 Programme Guide.
For the project to be eligible for funding from the Erasmus+ UK National Agency, at least one
sending/receiving organisation in each activity must be from the UK. If this is not the case, consider
applying to a different National Agency.

3. Read about organisational and financial capability

3.1 What is organisational capacity?

Applicants need to demonstrate they have adequate capacity to successfully deliver Erasmus+
projects and administer them in accordance with the grant agreement with the National Agency and
the programme guide published by the European Commission.

The assessment of organisational capacity will consider:

- the management of the organisation (e.g. details and roles of staff involved in delivery,
  management of the organisation, including details of any finance and administrative
  support);
- its past history, if any, in delivering European Commission funded projects;
- the number of staff and volunteers who will be involved in managing the project;
- access to support networks (only for smaller groups); and
- the results of previous monitoring or audits by the National Agency.

Capacity checks of public sector higher education institutions (HEIs), colleges and schools may not
be as detailed as for other types of organisation. Note: for HEIs organisational capacity is assessed
through the Erasmus Charter for Higher Education.

The National Agency will limit the number of live projects an organisation manages at any one time
if there is no evidence of sufficient organisational capacity to successfully deliver them.

3.2 What is financial capacity?

Erasmus+ grants will not cover all costs – the grant is intended to be a contribution towards
the costs of project implementation and mobility activities. Projects must be delivered and
reported using only a pre-financing payment or advance.

Note: in some cases there might be interim pre-financing payments.

A formal financial capacity check does not apply to public bodies and international organisations, or
where the grant request is less than €60,000.

In all other cases, applicants must demonstrate that they have suitable reserves or income to
deliver the project successfully.

You must therefore provide a set of accounts, in accordance with relevant UK legislation, not more
than 15 months old, on the deadline date of the round to which you are applying.
The accounts must show a balance sheet with sufficient free reserves (e.g. cash at bank and debtors) which will exceed the amount of co-financing required and any additional shortfall, given the amount advanced as pre-financing and the total cost of the project.

3.3 What if my organisation is new or has no accounts?

The National Agency may consider applicants who are recently established and have not prepared financial accounts, but priority may be given to established organisations who can demonstrate financial capacity.

3.4 What kind of bank account does my organisation need to receive Erasmus+ funding?

All Grants are paid in Euros. It is strongly recommended that you use a Euro bank account to avoid exchange rate losses. Some UK bank accounts can accept Euro payments directly, while others require payments to be routed via another bank or bank account. It is important that the name of your bank account matches the name of your organisation or, in the case of Informal Groups of Young People, the name of the group so that we can make payments to you. If this is not possible please contact the UK National Agency as soon as possible to discuss your options.

4. Register on the European Commission’s Participant Portal

4.1 How do I register?

Registration is compulsory and you will not be able to submit your completed application form if you have not registered your organisation. If you have registered previously there is no need to re-register.

Please note that both the applicant organisation and partner organisations, if in a consortium, must have registered on the European Commission’s Participant Portal before completing an Erasmus+ application form.

The Participant Portal can be accessed at: http://ec.europa.eu/education/participants/portal/desktop/en/home.html

The Participant Portal is accessible via an individual’s ECAS account. A video guide on how to register on ECAS together with a Participant Portal User Manual is on the UK website.

4.2 How do I upload the legal and financial identification forms?
Organisations will need to upload evidence of their legal status and a completed financial identification form. Once registered, organisations will receive a nine digit Participant Identification Code (PIC). When a PIC is entered into an application form, the institution’s details will be entered automatically.

**To upload documents on the Participant Portal -**

a. Click on the menu item "Login" top right

b. You will be guided to your personal participant portal website

c. Click in the top left in the navigation menu select "Organisations" then "My Organisation(s)".

d. You should see your Organisation Name. Click on the small circle on the right hand side labelled MO [for Modify].

e. A new window will open. You will then need to scroll down to the Documents section and click ‘Add Documents.’ Choose the file that you wish to upload and you will then see the status to show that the document has been received.

Please see the 2016 Erasmus+ Programme Guide, Part C Information for Applicants, page 232, which contains detailed guidance on how to complete these steps.

Please note that any information included in the Legal Entity Form and Financial Identification Form must match details in the application form and Participant Portal

5. Ensure you understand the quality criteria against which your application will be assessed

In order for you to write a high quality Key Action 1 application, it is essential that you understand how your application will be assessed.

The assessment of applications is carried out in two stages:

- A formal eligibility check undertaken by the NA staff (against the eligibility criteria published in the Programme Guide).
- A qualitative assessment undertaken by external experts selected for their experience and knowledge of the youth sector. The budget for this Key Action is finite. Funding decisions are made based on the quality score.

Experts will assess each section of the application form against the following criteria:
### Relevance of the project (maximum 30 points)

The relevance of the proposal to:
- the objectives of the Action (see section "What are the aims of a mobility project")
- the needs and objectives of the participating organisations and of the individual participants

The extent to which the proposal is suitable of:
- reaching out to young people with fewer opportunities including refugees, asylum seekers and migrants;
- promoting diversity, intercultural and inter-religious dialogue, common values of freedom, tolerance and respect of human rights as well as on projects enhancing media literacy, critical thinking and sense of initiative of young people,
- equipping youth workers with competences and methods needed for transferring the common fundamental values of our society particularly to the hard to reach young people and preventing violent radicalisation of young people.

The extent to which the proposal is suitable of:
- producing high-quality learning outcomes for participants
- reinforcing the capacities and international scope of the participating organisations

### Quality of the project design and implementation (maximum 40 points)

- The clarity, completeness and quality of all the phases of the project proposal (preparation, implementation of mobility activities and follow-up)
- The consistency between project objectives and activities proposed
- The quality of the practical arrangements, management and support modalities
- The quality of the preparation provided to participants
- The quality of the non-formal participative methods proposed and active involvement of young people at all levels of the project
- The quality of arrangements for the recognition and validation of participants’ learning outcomes, as well as the consistent use of European transparency and recognition tools
- The appropriateness of measures for selecting and/or involving participants in the mobility activities
- In case of activities with Partner Countries neighbouring the
EU, the balanced representation of organisations from Programme and Partner Countries
- The quality of cooperation and communication between the participating organisations, as well as with other relevant stakeholders

### Impact and dissemination (maximum 30 points)
- The quality of measures for monitoring and evaluating the outcomes of the project
- The potential impact of the project:
  - on participants and participating organisations during and after the project lifetime
  - outside the organisations and individuals directly participating in the project, at local, regional, national and/or European levels
- The appropriateness and quality of measures aimed at disseminating the outcomes of the project within and outside the participating organisations

## 2016 Focus

In 2016, in the selection of projects emphasis will be put on:

- reaching out to marginalised young people, promoting diversity, intercultural and inter-religious dialogue, common values of freedom, tolerance and respect of human rights as well as on projects enhancing media literacy, critical thinking and sense of initiative of young people as well as

- equipping youth workers with competences and methods needed for transferring the common fundamental values of our society particularly to the hard to reach young people and preventing violent radicalisation of young people as well.

In this regard, taking into account the critical context in Europe and considering the fact that youth work, non-formal learning activities and volunteering can significantly contribute to address the needs of refugees, asylum seekers and migrants and/or increase awareness about this issue within local communities – particular attention will also be given to support youth mobility projects involving or focussing on the refugees/asylum seekers and migrants.

## Assessment Process

You will need to ensure that each section of the application form is completed in full and that the activities conform to the Erasmus+ guidelines and the eligibility criteria (target group, placement
duration, partners and financial provisions). You must make sure that each answer refers to the question asked, avoid duplicating information and ensure consistency and clarity. Remember to proof read your application.

To be considered for funding your proposals must score at least 60 points. It is important to note any application scoring less than half the available points in any one of the three quality criteria will not be considered suitable for funding. For example, if an application scored 30 for relevance, 40 for quality, and 12 for impact, it would not be successful, even though 82 is a good score overall. You must therefore make sure that your application is balanced and you give attention to all aspects of the project.

Any relevant text you enter will be considered in the quality assessment. Please try however to be concise and give the most relevant detail in the most relevant section of the form.

Approved projects will be ranked in terms of their overall assessment score, and the programme budget will be allocated from the highest scoring project down to the lowest scoring project until the budget for that activity type is fully utilised. Approved applications which cannot be funded due to insufficient programme funds may be placed on a reserve list. If one or more applications score the same, they will then be ranked based on the score they received under the 'Impact and dissemination' quality criterion. If the applications scored the same under this criterion they will then be ranked based on the score they received under the 'Relevance of the project', followed by 'Quality of project design and implementation'.

**Proportionality**

When assessing your application, assessors are asked to take into account the scale and type of your project, its outputs and the amount of funding requested in line with proportionality. This means that in principle the larger and more complex your project is and the more funding you request, the higher the level of detail and clarity is expected regarding your project and its activities.

Annexes II and III of the European Commission’s Erasmus+ Programme Guide contain further information on quality criteria and key terms such as ‘informal learning’. You may also find it beneficial to read the European Commission’s Guide for Assessors on Quality Assessment which sets out the assessment process and the quality criteria for the assessment of applications. Both documents can be downloaded from the Erasmus+ UK website.

**Where to find more help and advice**

For further information, please refer to the ‘Apply for youth funding’ section on our website.

You can find examples of youth work methods and resources for projects based on themes such as inclusion, diversity and participation, on the SALTO website: www.salto-youth.net. The European Youth Portal gives information on opportunities for young people: http://europa.eu/youth/en.

The Erasmus+ team at the British Council is here to help you with queries regarding your application. You can contact us by phone on 0161 957 7755 or by email at erasmusplus.applications@britishcouncil.org.
The Erasmus+ helpline is particularly busy before an application deadline so, while the National Agency will try their best to answer and solve your queries, it is always recommended to start completing your application well in advance of the deadline to avoid any unforeseen issues.

COMPLETE THE APPLICATION

Using Adobe Reader

It is compulsory to complete the electronic application form (eForm) when applying for Key Action 1 Youth funding. The eForm is available to download https://erasmusplus.org.uk/apply-for-youth-mobility-funding#howtoapply. Please ensure you download the correct application form.

The eForm is a PDF file which needs to be opened and edited using Adobe Reader. It is recommended that applicants use the latest version of Adobe Reader which is free to download from https://get.adobe.com/uk/reader/otherversions/.

The eForm will work with some earlier versions of Adobe Reader, but if you are experiencing problems with earlier versions, we recommend version 10 or above as a minimum. Please note the form may only open with early versions of Adobe Reader DC.

Introduction to the eForm

When you click on the link to download the eForm from the Erasmus+ website, the form will open as a one page PDF displaying the following message in red text:

The form has been opened inside a web browser window. Please download the form to your PC in order to be able to properly save the form after filling it in.

Saving the eForm

In order to save the form on your computer or network, click on the ‘Save a copy’ button in the left-hand corner of the PDF. This will save the eForm locally on your computer. You will now be able to click on the form in your local files and open it up to edit. In order to avoid any older versions of Adobe Reader opening the file by default, it is best to open up the Adobe Reader software first then go to File>Open and open the eForm. It is important to remember that you will need to save your application as you go along in order to ensure that the information you have entered is retained in the form. This way, you can return to complete it as many times as necessary.

Online Functionality of the eForm
As long as you have saved the eForm locally, you do not have to be connected to the internet to enter information into the form. The downloaded eForm can be saved and closed at any moment without losing the encoded data. **Please note: you will need to be connected to the internet to complete certain functions such as checking your PIC code and validating the form using the ‘validate’ button at the bottom of each page. We recommend that you validate each page of the eForm as you complete it as some functions, such as the automatic calculations in the budget section, will not work unless the pages are validated.**

**Important information on Completing Fields in the eForm**

You must fill in the required fields on the form, using the mouse or tab keys to navigate. Please note that fields appearing in grey where you are unable to enter data are “Pre-filled or Calculated Fields”. You will not be able to modify these, and they will display either default values, calculation results or data already inputted in other fields or tables within the application form. If there are tables and fields in the form where multiple entries are possible or blocks/sections that can be repeated, you can add or delete rows or sections by clicking on the ‘Add’ and ‘Delete Last’ or the ‘+’ or ‘-’ buttons. Please note the ‘CEDEX’ field is only applicable to French organisations and can be left blank where applicable. Clicking the ‘validate’ button at the end of each page will ensure you can identify any missing fields as you go along.

Please allow sufficient time to complete the eForm, as functions such as copy and paste do not always work within the form. **Please note when completing answers to narrative questions in the form, there is a maximum limit of 5000 characters including spaces.**

**A. General Information**

This section consists of an overview of the application form.

**B. Context**

This section consists of a data table containing information specific to the application being made. Data fields including Programme, Key Action, Action, Action Type, Call, Round and Deadline for Submission have already been pre-filled.

Applicants must check that the pre-filled fields: Key Action, Action and Action Type correspond to the funding being applied for. Applications for Key Action 1 - Learning Mobility of Individuals for Youth Mobility must ensure that the following details are consistent.

**Key Action:** Learning Mobility of Individuals

**Action:** Mobility of Learners and Staff

**Action Type:** Youth Mobility
In this section applicants are only required to complete the field in relation to the languages used to fill in the form. All applications submitted to the UK National Agency must be completed in English. Applicants must therefore select English from the drop down box for this field.

B.1. Project Identification

The only pre-filled information will include organisation name and the form hash code. All other sections must be completed by applicants.

**Project title:** Please choose a name for your project that is different from your organisation’s name.

**Project Acronym:** Please enter any acronym or alternative name for your project title here.

**Project Start Date:** Select a date from the calendar. This must be the earliest date from which you will need to spend the grant and before your activity.

Despite showing the earliest start date, **we encourage applicants to allow enough time before starting activities**. As best practise, you should allow at least a month after the earliest start date so that in case the funding is not received by the earliest start date, you have sufficient time to plan accordingly.

The table below shows the earliest possible start date for activity depending on which funding Round you apply for.

<table>

</tr>
</tbody>
</table>

Please be mindful that you should plan in enough time before your activities start to be able to purchase economical travel tickets.

**Please note; any activity undertaken and money spent before the Grant Agreement is signed by the UK National Agency is done so at your own risk.** If for any reason we are not able to contract with you, these costs will not be covered by the UK National Agency.

**Project Total Duration:** A youth mobility project can last between 3 and 24 months. Please select the duration of your project from the dropdown box. The overall project duration will need to
encompass all project related activities from promotion and recruitment through to evaluation and dissemination. It is important therefore to consider a realistic project duration to be able to carry out all project activities to a high standard.

**Project End Date:** The project end date will pre-populate based on the project start date and the project total duration that you have entered. For example, for the application deadline of 4 October 2016, a 24 month project starting on 1 May 2017 would run until 30 April 2019.

**Applicant Organisation Full Legal Name** (Latin characters): This field will populate based on your PIC (see section C.1).

**B.2. National Agency of the Applicant Organisation**

**Identification:** Select UK01 from the drop down box.

**C. Participating Organisation(s)**

**C.1. Applicant Organisation**

This section asks applicants to provide information relating to the applicant organisation.

In advance of completing this section of the form applicants must register their organisation on the European Commission’s Participant Portal to obtain a PIC number. Please refer to page 7 of this guide for further information.

Applicants must enter their organisation’s PIC number into the application form and click ‘Check PIC’. Once entered, the form will automatically populate the applicant organisation’s information. The information entered into this section of the form will be based on the information provided during the PIC registration process. If there are any changes to the information originally provided participants should log back onto the Participant Portal and update the information accordingly.

**C.1.1 Profile**

This section of the form will also be pre-filled using the information submitted on to the European Commission’s Participant Portal. Please check that this information is accurate and if not, update in the Participant Portal.

**Is your organisation: a public body at regional/national level; an association of regions; a European Grouping of Territorial Cooperation; or a profit-making body active in Corporate Social Responsibility?** – Please select ‘yes’ or ‘no’ from the dropdown box.
Please note – if the answer to this question is Yes, Organisational Support amounts are reduced by 50%, as highlighted in the 2016 Programme Guide on page 87.

If you experience problems with this stage and the fields are not populating correctly, we recommend that you check your organisation’s registration in the Participant Portal. If the field ‘Type of Organisation’ found in this section of the eForm has not been completed in the Participant Portal then the applicant organisation details will not populate the form and this will cause an error to occur. This field is not compulsory during the Participant Portal registration process but is essential for the completion of the eForm.

C.1.2 Accreditation

For EVS only

If you are applying for European Voluntary Service (EVS), you must have been accredited before the deadline. The lead organisation and all partners involved in the project must have accreditation for the duration of the project. EVS activities will be rejected if organisations involved are not accredited at the time of submission. You must allow a minimum of six weeks for the application process before the deadline that you are looking to apply for.

Accreditation is for organisations that want to send or receive volunteers, or to act as coordinators of a project. An organisation can seek accreditation as a Sending, Receiving and/or Coordinating Organisation on the same official form. The form can be found on the Erasmus+ website at https://erasmusplus.org.uk/european-voluntary-service-accreditation-for-youth-organisations.

Please make sure that each organisation holds the right type of accreditation for the role they will play in the project. Where an organisation will be undertaking more than one role (e.g. co-ordinating and hosting), it must hold accreditation for each type of role.

Therefore –

- The applicant organisation must hold ‘co-ordinating’ EVS accreditation.
- Any organisation planning to receive volunteers must hold ‘hosting’ EVS accreditation.
- Any organisation planning to send volunteers must hold ‘sending’ EVS accreditation.’

This in line with the terms set out in Annex I of the 2016 Programme Guide, p.270 [“If the organisation has more than one role in a project application, it must have a valid accreditation for all those roles.”]
Before submitting an accreditation application, a PIC number (Participant Identification Code) is needed.

The contact person provided in the form is responsible for keeping information up-to-date, posting volunteering opportunities on the European Youth Portal and informing the Agency/SALTO if there are periods during which the organisation does not intend to be involved in any projects.

Please note informal groups of young people are not eligible for EVS accreditation.

The Volunteering Platform hosted on the European Youth Portal is a tool to find partners in the framework of EVS. Relevant information and a description about accredited organisations is provided on the website.

Please note that we will be publishing a Guidance document for EVS Accreditation in the near future.

C.1.3. Background and Experience

The information in this section will inform the assessment of your organisation’s capacity to manage the project and proposed grant successfully.

Please briefly present your organisation: Please include the aims of your organisation, its history, its location and how the activities proposed in this application fits into other programmes or activities you deliver.

You must also include details of the young people your organisation typically works with in terms of geographic location and any additional needs they might have. For example, you may wish to enter the proportion of young people with disabilities, from families in receipt of benefits or those with English as a second language, if you feel that this information is pertinent.

What are the activities and experience of your organisation in the areas relevant for this application? Please detail how your organisation’s previous experience of delivering projects or activities or other work has built the skills and knowledge needed for the activities you propose in this application. Please detail if this is a project format that you have delivered before.

Please give information on the key staff/persons involved in this application and on the competences and previous experience that they will bring to the project. Please give details of the number of administrative and delivery staff involved in this project (detailing paid staff and volunteers) and their competences or relevant experience or qualifications.

Have you applied for/received a grant from any European Union programme in the 12 months preceding this application? Please select from the drop down menu. If you select ‘yes’ here, complete the table with the relevant information. To add more activities, click on the + button. To delete activities, click on the - button. If you have been involved in previous projects but do not know the exact details please contact your National Agency.
C.1.4. Legal Representative

Enter the details of the person who is authorised to enter into a legally-binding commitment on behalf of your employer. This may be your Finance Manager or another member of the Senior Management Team. If your application is approved this person will also be the signatory for the Grant Agreement and the person who takes on the terms and conditions attached to the grant on behalf of the organisation.

Please complete every field in this section.

If the appropriate contact address for the legal representative is different from the main contact address for the applicant organisation, you will need to tick the box to indicate that and complete the address details.

Please Note: If after the submission of your application you find that your legal representative leaves your organisation; is no longer able to fulfil the duty; or their contact details change, you must inform us as soon as possible. It is important that we have the most up-to-date information about your project and organisation.

Please note: it is important that the Legal Representative details are consistent throughout the application form, in the Declaration of Honour and in any other supporting documents. If there is inconsistency, your application will be ineligible.

C.1.5. Contact Person

We will use these details as the first point of contact for the application and, should it be successful, the grant. Please complete every field in this section. Please ensure the email address provided is correct and active. If the address of the contact person is different from the organisation address, you must ensure there is a check in the box next to ‘if the address is different from the one of the organisation, please tick this box’ and then provide additional address details.

Please Note: It is vital that the details you supply are correct and up-to-date. Due to data protection laws and procedure we are only able to provide project specific information to the official contact person[s] and legal representative of the project using the details provided to us. If after the submission of your application you find that the contact person / their contact details change you must inform us as soon as possible.

We recommend that if possible, you choose one person for legal representative and a different person closely linked with the project as a contact person, so there are two points of contact within the organisation. Press Add Contact Person to add another contact.
C.2 Partner Organisation

All Youth Exchanges, European Voluntary Service and Youth worker Mobility projects must include a minimum of one partner (bilateral) or more (tri or multilateral) from Programme Countries to be considered eligible.

Please click the button to add information about the partner organisation(s).

If you do not add a partner organisation at this stage, you will not be able to amend this at a later date. Any partner organisations will also need to have a registered PIC. Please repeat the same steps as for Applicant Organisation when adding information about partner organisations. You can add more than one partner, and any organisation or group which you intend to partner with must be added here.

You must annex a signed partner mandate for each partner to the application form at submission stage. The EC’s partner mandate template, which is mandatory for youth applicants to complete at application stage, is available from https://www.erasmusplus.org.uk/apply-for-youth-mobility-funding. Please ensure the mandate is signed by both organisations’ legal representatives.

D. Description of the Project

Why do you want to carry out this project? What are its objectives? How does it link to the objectives of the Erasmus+ programme and this specific key action? What are the issues and needs you are seeking to address through this project? All projects should propose to address a need for their young people, community or organisation. Please outline how this need and the objectives were established, i.e. through research, planning meetings. Where possible, Youth Exchanges and EVS projects should demonstrate how young people are actively involved in shaping the project proposed. The objectives of the project must clearly seek to address the needs you establish and be relevant to the individual participants and organisation. Please outline how this project links to the objectives of the Erasmus+ programme and this specific key action.

How did you choose your project partners? What experience and competences will they bring to the project? Please also describe how the project meets the needs and objectives of your partners. Strong partnership is crucial to the successful delivery of an international project. Please detail how the partnership was formed and their contribution in terms of the skills and experience they have that is relevant to this project. Please outline how this project links to the needs and objectives of your partners too as it is a joint application.

What are the most relevant topics addressed by your project? Select from the dropdown menu. You may choose up to three. Do not worry if this doesn’t cover everything. Add more by clicking on the + button and remove them by clicking on the - button. If your project is to address more than three topics, please choose the most relevant.
E. Participants’ Profile

Please describe, for each planned activity, the background and needs of the participants involved and how these participants have been or will be selected: Please detail the process for selecting participants from all partner groups that has taken place or will take place and how this selects the most suitable participants whilst ensuring a fair process. Please note that for EVS activities, participants cannot take part in more than one long-term EVS (over two months), to ensure opportunities are made available to as wide a group of people as possible and to make best use of European funds. Participants must be resident in the country of their sending/receiving organisation.

Please provide, for each planned activity, general information on the age of participants and describe how you will ensure a gender balance in the main activities carried out in your project. Please describe the participants’ actual or likely age ranges, gender, ethnicity or other pertinent information, detailing how in particular you will ensure a gender balance.

E.1. Participants with Fewer Opportunities

Please see the 2016 Erasmus+ Programme Guide page 11 for more information on participants with fewer opportunities,

Does your project involve participants facing situations that make their participation in the activities more difficult? Please select ‘yes’ or ‘no’ from the drop down menu.

How many participants (out of the total number) would fall into this category? Please give the actual or likely number.

Which types of situations are these participants facing? Please enter the actual or likely profile of the participants this project will involve. For more detail on each of the categories, please review page 13 of the Erasmus+ Programme Guide, see Equity and Inclusion.

E.2. Learning Outcomes

Which competences (i.e. knowledge, skills and attitudes/behaviours) are to be acquired/improved by participants in your project? Please identify the competences that specific activities and methods will develop. There should be a clear link between the aims of your project, the activity and the learning outcomes. They should also be relevant to your participants and address the need you identified for this project.

The Erasmus+ programme promotes the use of instruments / certificates like Europass, ECVET and Youthpass to validate the competences acquired by the participants during their experiences abroad. Will your project make use of such European instruments/certificates? If so, which ones? Please select from the drop down menu.
Are you planning to use any national instruments/certificates? If so, which ones? Please list here any additional tools or accreditation you will use to support learning and reflection as well as recognition of learning outcomes, for example ASDAN or other UK accreditation.

How will you use the European/national instruments(s)/certificates(s) selected? Please detail how the instruments/certificate will be used. Remember to include the methods that support reflection and documentation of the learning outcomes in the daily timetable of each activity.

F. Preparation

F.1. Practical Arrangements

How will the practical and logistical matters of the project be addressed (e.g. travel, accommodation, insurance, safety and protection of participants, visa, social security, mentoring and support, preparatory meetings with partners etc.)? Please detail how and when you plan to deliver these practical aspects and which partner or individuals will take responsibility for them. See pages 269-273 in the Erasmus+ Programme Guide for more details.

Outline the risks you identify in this project, in relation to tasks, participants and location, as well as your plans for mitigating these risks to ensure the safety of all involved. This must include agreement on emergency procedures and a code of behaviour for participants. Note your plans for obtaining suitable insurance and managing any additional visa requirements and legal aspects to evidence how you will manage these. We expect that you plan to comply with UK legislation and consider relevant national legislation in the country of each partner. In the UK, this includes in particular the UK Data Protection Act 1998, legislation/statutory guidance relevant at any time to the safeguarding and protection of children and vulnerable adults (including without limitation, the UN Convention on the Rights of the Child and the Children Act 1989, Safeguarding Vulnerable Groups Act 2006).

Please follow the FCO travel advice for the countries to which you will send participants.

Support to participants, e.g. mentoring of EVS volunteers, must be detailed here, in line with the EVS Charter standards – see pages 265-270 of the Programme Guide. Mentors are expected to provide regular meetings for volunteers to review learning and offer personal support and are responsible for assisting their integration into the local community.

F.2. Project Management

How will you address quality and management issues (e.g. setting up arrangements with partners, learning arrangements with participants, etc.)? Please describe the process you have established for agreeing roles and responsibilities with partners in order to ensure quality learning outcomes, as well as good administration and delivery of the project.
Please then describe the process for establishing suitable methods and agreeing and monitoring learning outcomes for participants. Ensure that you detail how you intend to facilitate their active involvement and reflection to ensure the relevance and quality of these outcomes.

**F.3. Preparation of Participants**

What kind of preparation will be offered to participants (e.g. task-related, intercultural, linguistic, risk-prevention etc.)? Who will provide such preparatory activities? Please outline the training plan for participants or organisers/group leaders, as deemed necessary for the success of the project. This plan should detail what training will be provided, when and by whom. It should pay attention to not only task based training to ensure participants' safety and ability to engage with activities but provide adequate support for the intercultural and linguistic learning expected.

**G. Main Activities**

Please explain the context and objectives of the activities you are planning and in which way they meet the objectives of the project. Outline, for all activities, the context and objectives and detail how they meet the objectives of the project, as given in your Project Description in section D.

What are the basic elements of the main activities you plan to organise? For each activity, remember to describe at the very least all of the following: type of activity, venue(s), planned dates, working methods used, countries involved and the role of each project partner in the activity: For all activities, **you must provide a timetable**, which must be uploaded as an annex to the eForm. The European Commission has published a Youth Activity Timetable Template for KA1 applications. The template can be downloaded from https://www.erasmusplus.org.uk/apply-for-youth-mobility-funding. For each Youth Exchange activity, the timetable annexed will detail the programme for each day. For each European Voluntary Service, the timetable annexed must provide a sample of one week’s activity plan. For Youth Worker Mobility, the timetable annexed must provide a sample of either a week’s activity or programme overview if planning an activity of several weeks. Please note that if you plan on organising an Advance Planning Visit, you will need to include a timetable detailing the programme of the APV.

In addition to your timetable, you must note how you have decided on this programme, explaining how you have ensured that your methods and activity are relevant to your objectives and are relevant to the learning outcomes and impact you anticipate.

All activities will need to demonstrate compliance with the principles and provisions described in the Programme Guide, Annex I 'Mobility project for young people and youth workers', pages 269-273. This includes the use of a variety of informal and non-formal methods to generate learning. Formal methods should be strictly limited. All activities should include space for participants to reflect on their learning (ideally using Youthpass) and should encourage active participation, creativity and initiative.

**European Voluntary Service (EVS) activities** will need to demonstrate that tasks are able to be shaped by the young people to reflect their interests and abilities. Routine, manual and repetitive
administrative tasks must be kept to a minimum. Tasks must not place high level of responsibility or risk on volunteers or perform tasks that match the profile of an employee, since this should clearly be a learning service that offers community interest or benefit.

**Youth Exchange** activities should clarify the theme that will be the focus of the Exchange and how this reflects the needs and interests of participants.

If applicable, **how do you intend to cooperate and communicate with your project partners and other relevant stakeholders?** Please outline the methods by which you will ensure regular communication with your partners or other project stakeholders. Describe how you plan to work together. Good partnership is crucial, so you must present a clear set of roles and responsibilities for all involved in the activity delivery, project management and administration. Please outline any scheduled meetings or other methods by which you will maintain contact before, during and after activity.

If applicable, **please explain the need for accompanying persons.** Accompanying persons may be included where necessary to enable a participant with special needs to attend. Please explain why the accompanying person is required.

### G.1. Activities’ Details

An activity is defined as either:

- **Youth Exchange:** minimum 16 participants and maximum of 60 participants (from all groups, including the host group involved in the activity). For example, 15 from UK, 15 from France, 15 from Germany and 15 from Sweden would be the total maximum of 60 participants excluding group leaders. Each group must have a minimum 4 participants excluding group leaders. Each national group must have at least one group leader;

- **European Voluntary Service [EVS]:** maximum 30 volunteers for the whole project;

- **Mobility of Youth Workers:** This activity supports the professional development of youth workers, through the implementation of activities such as transnational/international seminars, training courses, contact-making events, study visits, etc. or job shadowing/observation periods abroad in an organisation active in the youth field. **Up to 50 participants including trainers and facilitators per activity** planned in the project.

#### Advanced Planning Visits

For youth exchange and EVS activities, you can also apply to carry out an Advance Planning Visit (APV). The APV is used to plan the practicalities of running and implementing your activities to ensure the project activities are successfully carried out. **For EVS applications, the APV can only be used where the application involves young people with fewer opportunities.**

Please note APV travel must be included in the **Activities section G.1.** APV accommodation costs (and accommodation only) can be applied for under **Exceptional Costs.**
If the project foresees an APV, then the following eligibility criteria must be respected:

- duration of the APV: maximum 2 days (travel days excluded);
- number of participants: 1 participant per group. The number of participants can be raised to 2 under the condition that at least 1 of the participants is a young person taking part in the activity.

Every activity you plan to do (including any Advanced Planning Visits) must be listed in this section. We cannot fund activities if they are not listed in the application form. Some changes may be requested and approved by us at a later date, but if an activity is added we will not be able to increase funding to cover it.

For each activity, complete the fields in the grid as follows.

**Activity No.** populates automatically.

**Activity Type:** Select from drop down menu. See above for descriptions.

**Flow No:** Flow is the term used to describe a separate instance of travel within one activity. For example, if your organisation were to organise a youth exchange between three countries, the event is one activity and each national group, travelling from a different country or the same country, would be a separate flow. The figures entered here are used to calculate the Budget in Section I. Additional flows can be added, or erroneous ones removed, using the + or – symbols. Please see the example below -

**Example – Youth Exchange Programme Countries**

Note: if you are carrying out an advance planning visit (APV) this must be entered here as an additional activity. Please give details of those people that will be attending the APV from both the hosting and sending organisations. Note: in EVS applications, APVs may only be undertaken in projects involving young people with fewer opportunities.

**Country of origin:** Please select from the drop down menu.

Group: This column can be used to differentiate organisations that might be taking part from the same country. We would recommend writing the name of the organisation in this box.
Country of Destination: This field (along with the country of origin) is used to calculate the rate per person per day for the proposed flow (known as ‘Individual support’). Please refer to the table on page 23 for a breakdown by country of the daily rate. It will populate automatically, using those rates.

Venue (City): insert the destination city. If the venue city is not known please explain clearly in the narrative section.

Distance Band: Use the distance calculator supported by the European Commission to calculate the one-way distance. Distances claimed should be calculated as one direct distance and not broken down into a series of journey stages. Distances are not allowed to be ‘rounded up’ to the next travel allowance band.

By default, the place of origin is understood as the place where the sending organisation is located and the place of the venue as the place where the receiving organisation is located.

Where travel takes place outside of this (including in-country travel), a note of justification should be provided in the comments box at the end of the budget section and if the application is successful, further documentation will need to be provided at final reporting stage to evidence this.

European Commission Distance Calculator

Distance calculator

For grant support to travel costs in the Erasmus+ Programme, travel distances must be calculated using the distance calculator provided below.

Based on the distance expressed in km, the corresponding distance band must be chosen in the application and report forms.

From: London
To: Paris

Distance: 343.77 km.
Start Date: enter the start date of the activity (excluding travel days).

End Date: enter the end date of the activity (excluding travel days).

Total Duration Excluding Travel (days): this field is automatically calculated. The rate is calculated per participant per day. Note the following minimum and maximum durations:

Youth Exchange: from 5-21 days, excluding travel time.

European Voluntary Service: 2-12 months, 2 weeks-2 months for group service (at least 10 volunteers who are doing their service together) or EVS involving young people with fewer opportunities (short term EVS). All excluding travel time.

Mobility of Youth Workers: 2 days to 2 months (excluding travel time).

Travel Days: Please enter the number of travel days necessary. This should reflect the travel distance bands that you have chosen. You are allowed to apply for a maximum of 2 travel days (one before and after). Please note, for distances equal to or lower than 99 km, the need for two full travel days would not be justified.

The number of travel days may be reduced accordingly by the Grants Team as it can affect the total amount of Organisational Support awarded.

No. Participants: please enter total participants in this flow (this includes all young people and group leaders). Note: in Youth Exchange group leaders must be at least 18 years of age. This is multiplied by the daily rate to give the travel budget.

No. Participants with Special Needs: please enter the total number of participants who will require additional support to aid their participation in the activity.

Participants with Fewer Opportunities: please enter the total number of participants who have fewer opportunities.

Accompanying Persons: Please enter the total number of group leaders and any specialist staff needed to support the participation of the young people with Special Needs.

You may find that these activities will change as your project evolves. Whilst this is not a problem, please note that the National Agency cannot revise grant awards upwards e.g. if each mobility were to last twice as long as planned, the grant could not be amended to accommodate that.

Projects involving Overseas Countries and Territories

Please note if your application will involve organisations based in Overseas Countries and Territories (OCTs), you will need to choose the Country of Origin and Country of Destination which the territory belongs to.

For example, if you are planning an activity where youth workers are coming from Anguilla to the United Kingdom [where Anguilla is a UK Overseas Territory], choose the Country of Origin as United Kingdom and country of destination as United Kingdom. You would then need to calculate the correct distance band between Anguilla and the United Kingdom.

Please contact us at erasmusplus.applications@britishcouncil.org immediately if you have any issues adding organisations based in OCTs to discuss this and we will provide guidance on how to proceed.

G.1.1 Summary of Activities and Participants

This section automatically populates with a summary of the information added above.

H. Follow-up

H.1. Impact

What is the expected impact on the participants, participating organisation(s) and target groups? List the expected outcomes for participants resulting from their planned learning and active involvement and participation in the project, such as knowledge, skills and changes in attitude or behaviour. In addition, you may plan that these outcomes may have a further impact on their employment status, ability to access further education, wellbeing or lifestyle. Please note the most relevant and realistic outcomes.
For participating organisation(s), please detail how this activity might generate organisational learning or specific skills for their staff. Describe the influence this project may have on their future work.

What is the desired impact of the project at the local, regional, national, European and/or international levels? Consider if this project will develop the participating organisations’ or participants’ understanding of an issue, youth work or train them in any new methodology that they can implement in their local community for example. Will this raise the profile of an issue or an organisation locally, nationally or internationally? Highlight here any activity you plan to involve the wider community in your project, so that they benefit too. Community involvement and benefit is an expectation of EVS projects in particular and can bring added value to all projects.

H.2. Dissemination of Project Results

Which activities will you carry out in order to share the results of your project outside your organisation and partners? What will be the target groups of your dissemination activities?
You must detail your plan to share the outcomes of your project. At the end of your project, you are expected to share the lessons learnt, tools or methods developed, so that others can benefit from this. It must be clear how you will raise awareness, share concepts or solutions, as well as influence policy or practice through these dissemination activities. There is an Erasmus+ dissemination platform: http://ec.europa.eu/programmes/erasmus-plus/projects/. Dissemination activity may be in the form of local meetings, workshops or discussions with members of a wider community and you may use hand-outs, reports, evaluations or video to assist this. You might plan to get press coverage or invite local councillors or decision makers to dissemination events. The Erasmus+ marketing team is always keen to hear about interesting case studies.

Please refer to the Programme Guide (pages 299-304) for further information about dissemination.

H.3. Evaluation

Which activities will you carry out in order to assess whether and to what extent your project has reached its objectives and results? You are expected to include a final evaluation of the project, in which you will be able to assess whether (or to what extent) the project has been a success. This evaluation should highlight the learning outcomes of all involved.

We encourage evaluation before and during the activity, as well as the final evaluation. This helps with establishing baselines (and therefore seeing what has improved), as well as fine-tuning the project as it goes.

I. Budget

An EU grant is an incentive to carry out a project which would not be feasible without the EU financial support, and is based on the principle of co-financing. Co-financing implies that the EU
grant may not finance the entire costs of the project; the project must be funded by sources of co-financing other than the EU grant. The Erasmus+ grant is regarded as a contribution to your project costs and may not cover the total cost of your project.

When applying for a Key Action 1 project for youth mobility you are eligible to receive funding for the following cost headings on a per participant basis:

- Travel (based on contribution to unit cost).
- Organisational Support (based on contribution to unit cost).
- Special Needs Support (based on real cost).
- Exceptional costs (based on real cost).
- Individual Support (EVS only - based on contribution to unit cost).
- Linguistic support (EVS only – based on contribution to unit cost).

Applicants must calculate a project’s provisional budget at the application stage according to the rates outlined on the following pages. Please note: if you miscalculate your budget and request less than you are entitled to, you will only receive up to the amount requested. You must ensure that the budget provided is consistent with the activity described in your application form.

Please note that the UK National Agency cannot award any funding over the amount requested, so please ensure that you check your budget thoroughly before submitting the eForm.

When completing the budget section of the eForm it is important to note that automatic calculations will only take place when you press the 'Validate' button on the relevant page of the eForm. You will need to be connected to the internet for the page to update, and you will need to press the Validate button on each of the budget pages as you progress through the eForm.

The European Commission's technical guidelines contain more detailed technical advice and guidance on completing the budget section of the eForm. The technical guidelines can be downloaded from the UK Erasmus+ website.

I.1. Travel

Travel is based on the distance per participant from the hosting city to the location of the sending city. Travel is calculated on a unit cost basis and will be payable according to the travel distance. Travel distances must be calculated using the distance calculator supported by the European Commission at http://ec.europa.eu/programmes/erasmus-plus/tools/distance_en.htm. Please note that the ‘travel distance’ measures the direct distance for a one-way journey but the travel costs have been calculated for a return journey. Distances cannot be rounded up to the next distance band. The distance bands are as follows:

I.3. Organisational Support

Organisational support refers to costs directly linked to the organisation, accommodation and management and of mobility activities and is calculated on a unit cost basis, per participant. For projects submitted by a public body at regional or national level; an association of regions; a European Grouping of Territorial Cooperation; a profit-making body active in Corporate Social Responsibility, the below amounts are reduced by 50%:

I.4. Linguistic Support – will only appear for EVS activities

For 2016, EVS projects that last from 2 to 12 months are entitled to linguistic support in the country where the EVS activity takes place. Online Linguistic Support can be broken down into two areas: Assessments Licenses and Course Licenses. Where Online Linguistic Support is available in the following Group 1 languages, no linguistic support funding can be claimed.

**Linguistic Assessment**

The initial assessment to determine the language level can be completed in 12 different languages [for the foreign language that will be used on the placement]. The languages available are German, English, Spanish, French, Italian, Dutch, Czech, Danish, Greek, Polish, Portuguese or Swedish.

Please select the number of participants who will take the assessment, so if you have 7 volunteers coming to the United Kingdom; please enter 7 to enable 7 English assessment licenses to be issued.

**Language Course**

Once the assessment is completed, the volunteer can take part in the online language course assessment, which is currently only available for Group 1 languages. This will be rolled out to other languages later in the year.

For example, if you have 7 volunteers coming to the United Kingdom, please enter 7 under number of participants for language learning, so that 7 course licences can then be issued.

If you are requesting linguistic support for Group 1 languages, you should select the number of participants for online linguistic assessment. This is obligatory for all volunteers using a language from Group 1 as a foreign language during their mobility activity.

If you are requesting other languages that are not included in Group 1, please state the number of participants for a linguistic preparation grant. **Please be sure to select the correct linguistic support and relevant number of course licenses in your application.**

### I.5 Special Needs Support

Special needs support refers to any costs directly relating to participants with disability and accompanying persons that will incur additional expense in support of their participation (i.e. specialist equipment).

A person with specific needs is defined as a potential participant whose individual physical, mental or health-related situation is such that his/her participation in the project would not be possible without extra financial support. Special needs support is calculated on an actual cost basis and will be assessed case-by-case. The individual situation should be described and the particular needs and extra costs attached to it should be detailed in the application form. Based on these explanations and the availability of funding the UK National Agency will be able to determine whether extra support can be granted. You should also bear in mind that assessors can reduce this amount accordingly if the request is too large or clear justification has not been provided.
Please make it clear in the narrative and the budget what items or services are required and the cost breakdown. This must be supported in the narrative text of the application form.

I.6 Exceptional Costs

Exceptional costs are calculated on an **actual cost** basis. Please be specific and state the detail of your proposed exceptional costs within the Description of Costs and ‘any other comments’ fields. For the cost of each item please include a detailed breakdown (i.e. 3 visas for Serbian participants at €50 each). Where the item relates to young people with fewer opportunities, please provide a clear justification that links the exceptional cost item to the participation of the proposed young people and a breakdown of the costs. The funding rules state that these costs (based on actuals) are specifically to support the following:

**Eligible Exceptional Costs for all activities**

- Visa and visa-related costs, residence permits, vaccinations;
- Costs for providing a financial guarantee (75% of eligible costs);
- Expensive travel costs of participants from outermost regions and Overseas Countries and Territories (for details, see below).

**For Youth Exchanges only**

- Costs to support the participation of young people with fewer opportunities on equal terms as others (excluding costs for travel and organisational support for participants and accompanying persons).

**For EVS only**

- Costs in support of reinforced mentorship and specific preparation in the case of participation of young people with fewer opportunities;
- Costs to support the selection and participation of young people affected by situations such as homelessness, drug/alcohol dependency, mental health issues and/or those with criminal backgrounds.

**For Youth Exchanges and EVS activities**

- **Costs for accommodation only [not subsistence] for Advanced Planning Visits** (maximum 2 days’ activity and maximum 2 participants per group if one is a young person).

Some examples of **ineligible** Exceptional Costs

- For European Voluntary Service, on arrival training costs are NOT accepted under Exceptional Costs
- Additional costs incurred by participants when travelling such as bridge or road tolls, border crossing fees, etc.) are NOT accepted under Exceptional Costs
- Food, and entertainment are NOT accepted under Exceptional Costs
Additional Note on Travel Costs for Outermost Regions and OCT’s

In line with the Regulation establishing the Erasmus+ Programme, which calls on taking into account the constraints imposed by the remoteness of the outermost regions and the Overseas Countries and Territories (OCTs) of the Union when implementing the Programme, special funding rules are set in order to support expensive travel costs of participants from outermost regions and OCTs insufficiently covered by the standard funding rules (based on contribution to unit costs per travel distance band).

Applicants for Key Action 1 Youth will be allowed to claim financial support for travel costs of participants from Outermost Regions and OCTs under the budget heading "exceptional costs", based on the following conditions:

- (up to a maximum of 80% of total eligible costs: see "What are the funding rules?" in the 2016 Programme Guide);

- that applicants can justify that the standard funding rules (based on contribution to unit costs per travel distance band) do not cover at least 70% of the travel costs of participants.

Please refer to pages 4-5 of this guide for a full list of the Outermost Regions and information on Overseas Territories.

J. Project Summary

Applicants must provide a well-written, comprehensive summary of their project within the application. Project summaries must be written in plain, clear English and free from jargon. This is of particular importance as it provides a description of the project to the general public and will be used in EC/EA and/or NA documents. The summary will also be included on the Erasmus+ Results Platform.

It is important to be concise and clear and mention at least the following elements:

- Context/background of project.
- Objectives of the project.
- Number and profile of participants.
- Description of activities.
- Methodology to be used in carrying out the project.
- A short description of the results and impact envisaged and the potential longer term benefits.

J.1. Summary of Participating Organisations
This is a pre-populated table based on information taken from earlier sections of the application.

J.2. Budget Summary

This is a table providing an overview of the activity number, activity type and grant requested for the project.

An additional table is then populated below for costs relating to organisational support.

J.2.1. Project Total Grant

This pre-populated table contains the total combined grant requested for the project. It is imperative that you check this amount is correct against your own calculations and resolve any issues before submitting your application.

K. Checklist

Before submitting online your application form to the National Agency, please make sure that it fulfils the eligibility criteria listed in the Programme Guide and check that:

- you have used the official Key-Action 1 application form.
- all relevant fields in the application form have been completed.
- you have chosen the correct National Agency of the country in which your organisation is established.
- the application form has been completed using one of the official languages of the Erasmus+ Programme Countries.
- you have annexed all the relevant documents:
  - the Declaration of Honour signed by the legal representative mentioned in the application;
  - the mandates of each partner to the applicant signed by both parties;
  - and the timetable of each activity.
- all participating organisations have uploaded the documents to give proof of their legal status in the participants’ portal (for more details, see the section “Selection Criteria” in Part C of the Programme Guide).
- for grants exceeding 60 000 EUR, you have uploaded the documents to give proof of your financial capacity in the participants’ portal (for more details, see the section “Selection Criteria” in Part C of the Programme Guide). Not applicable in the case of public bodies or international organisations.
- you are complying with the deadline published in the Programme Guide.
- you have saved or printed the copy of the completed form for yourself.

L. Data Protection Notice
Applicants are required to read the data protection notice in advance of signing the Declaration of Honour.

**M. Declaration of Honour**

The legal representative of the applicant organisation must print the Declaration of Honour, read it carefully, complete the declaration section by hand and sign it (the National ID and organisation stamp are not required in the UK for youth applicants). The signed Declaration of Honour then needs to be scanned and attached as an annex before application form is submitted online.

*It is essential to submit the Declaration of Honour. Failure to submit the Declaration of Honour, signed by the legal representative, will result in your application being ineligible.*

**N. Annexes**

The following documents must be annexed to your eForm:

- The Declaration of Honour signed by the legal representative which can be found in the application form.
- The mandates of each partner to the applicant signed by both parties.
- The Youth Activity Timetable Template with details of all planned activities, including APVs.

Please ensure that all documents specified in the checklist (see section K) are submitted electronically with your application. To attach documents click the ‘add’ button on the right hand side of the box displayed. This will then open up an additional window which will allow applicants to browse files on your computer and upload.

Please note that only .pdf, .doc, .docx, .xls, .jpg, .txt, .odt and .ods files can be submitted electronically with an application no other files will be accepted. A file which has been added in error can be removed by clicking the ‘remove’ button which replaced the ‘add’ function on the right hand side of the table.

You may find some limits to the total number of documents you can upload. In this instance please scan all similar documents in one attachment to avoid this issue.

**O. Submission**

**O.1. Data Validation**

Applicants must ensure they have validated all sections of the application before submitting.
O.2. Standard Submission Procedure

Applicants should only submit an application form once they are happy with the finalised version. Applicants need to ensure that they are connected to the internet in order to submit their completed application. Applicants should also ensure that all sections of the form are valid and all annexes are attached before submitting the form.

To submit the form applicants will need to be connected to the internet. The UK National Agency advises that applicants save the final completed version of the eForm on their desktop in case of any technical issues with submission.

Applications must be submitted online by the relevant deadline:

- **Deadline for Round 1:** 11am (UK time) on Tuesday 2 February 2016
- **Deadline for Round 2:** 11am (UK time) on Tuesday 26 April 2016
- **Deadline for Round 3:** 11am (UK time) on Tuesday 4 October 2016

If your application is submitted after the deadline, and the alternative submission procedure (if eligible) outlined below is not completed in time, your application will be deemed ineligible.

O.3. Alternative Submission Procedure

This is only applicable if applicants are unable to submit their application online due to a technical error. Please see error messages below that are not technical errors. Please note: if your error message says one or more fields has been completed incorrectly, this is not a technical error.

1. Take a screenshot of the submission summary page demonstrating the electronic form could not be submitted online.

2. Email the UK National Agency team managing this Key Action at erasmusplus.applications@britishcouncil.org with a copy of your application, any annexes and the screenshot attached within two hours of the application deadline, i.e. by 1pm UK time. In the subject line of the email please type KA1 Youth Round 1, 2 or 3 application form – [insert here the name of your organisation].

Please note than the UK National Agency will only accept applications via the Alternative Submission Procedure if, in addition to emailing the eForm to us within the 2-hour time frame following the deadline, a failed submission attempt in the form of an Error i.e. ‘ERR-’ (but not ERR-01 or ERR-06) is recorded under ‘Status’ in the ‘Submission Summary’ section of the eForm with a timestamp prior to or on the deadline date/time.

If any of the following ‘Statuses’ appear in ‘Submission Summary’ your application won’t be accepted under the Alternative Submission Procedure:
1. ‘ERR-01’ as this Error relates to invalid data/missing fields in the eForm. This is not considered to be a technical issue and can be rectified by the applicant by correcting the application form and validating it again.

2. ‘ERR-06’ as this Error means that there are errors with the annexes (i.e. the total size of the attachments exceeds 5MB or are in not file formats specified above in section N). This can be rectified either by reducing the size of the attachments or by removing them.

3. ‘Unknown’ as this means that the eForm was not submitted and no submission attempts were made.

4. ‘LOCAL-01’ Adobe Reader security enabled’. To allow the submission you must click the appropriate options in the yellow security warning bar at the top of the form.

5. ‘LOCAL-02 Network connection error’. Please verify your internet connection and try to submit again or try a different network connection to submit.

O.4. Submission Summary

A record of submission attempts made for the form will be recorded here. This should be used in the above instance when an alternative submission procedure is required.

O.5. Form Printing

The UK National Agency advises printing the final completed version of your eForm and retaining it for your own records. Hard copies of the eForm do not need to be posted to the UK National Agency.

After submitting your application

Once you have submitted your application you will receive an acknowledgement email.

All applications are checked for eligibility and eligible applications will be assessed for quality. An Evaluation Committee then meets to review the applications. The highest scoring applications are selected, based on the budget available. Applications that are not selected but meet the minimum quality score go onto a reserve list.

Applicants will be informed of the outcome by email and grant agreements will be issued to successful applicant

Appendix I – EVS Charter and Principles
The European Voluntary Service (EVS) Charter highlights the roles of EVS sending, receiving and coordinating organisations and the main principles and quality standards of EVS. Each EVS Activity promoter adheres to the provisions set out in this Charter.

**EVS PARTNERSHIPS**

A solid partnership between EVS sending, receiving, coordinating organisations and the volunteer is the basis of every EVS activity. Adequate matching between the volunteer profile and the tasks has to be in place.

- The sending organisation is in charge of the preparation and support of the volunteers before, during and after the EVS activity.

- The receiving organisation has to ensure safe and decent living and working conditions for the volunteer throughout the entire activity period. It has to provide adequate personal, linguistic and task-related support, including the identification of a mentor for the volunteer.

- The coordinating organisation (applicant) has the role of facilitating the implementation of the project by offering administrative and quality support to all project partners and enabling their networking.

**EVS PRINCIPLES TO BE ENSURED**

- The non-formal learning and intercultural dimension, through a clear definition of a learning plan for the volunteer.

- The service dimension through a clear definition of the non-profit-making character of the project and the volunteer tasks. Fulltime service and active role of the volunteer in implementing the activities have to be ensured. EVS volunteer activities must not replace any employment.

- The benefit to and the contact with the local community.

- EVS is free of charge for the volunteers, except for a possible contribution to the travel costs.

- Accessibility and Inclusion: when recruiting EVS volunteers, the organisations maintain the overall accessibility of EVS for all young people, without prejudice related to ethnic group, religion, sexual orientation, political opinion, etc. If the project targets volunteers with fewer opportunities, facilities and capacity in providing tailor-made preparation, and support have to be in place.

**EVS QUALITY STANDARDS TO BE ENSURED**

Support to the volunteer
Before, during and after the EVS Activities, in particular in crisis prevention and management;
for insurance, visa, residence permit, travel arrangements and all the EVS administrative procedures;

By facilitating the volunteer’s participation in the EVS training cycle;

By foreseeing proper evaluation measures.

Information
- All EVS partners have the right to receive complete information on the project and agree on all aspects.
- Visibility, dissemination and publicity measures have to be in place.

Recognition
- Each EVS volunteer is entitled to receive a Youthpass.

The EVS charter describes the role of EVS organisations acting as sending, receiving or coordinating organisation and defines the main principles of EVS and the minimum quality standards that must be respected within an EVS Activity. Here is a suggestion on how the roles and tasks of organisations involved in EVS could be shared (in some cases these roles must be compulsorily performed by a given organisation).

COORDINATING ORGANISATION:
- submits the application and bears the financial and administrative responsibility for the entire project towards the National Agency or the Executive Agency; - coordinates the project in cooperation with all sending and receiving organisations;
- distributes the EVS grant between all sending and receiving organisations;
- ensures that the volunteer(s) receive(s) the EVS Info Kit and attend(s) the full EVS Training and Evaluation Cycle;
- provides support to the volunteer(s) it places in the receiving organisation(s);
- carries out all or some of the administrative tasks of the sending or receiving organisation(s) involved in the project;
- ensures, with the sending and receiving organisations, that each volunteer is in possession of the European Health Insurance Card (if applicable) and is covered by the obligatory EVS Insurance plan foreseen in the Erasmus+ Programme;
- Arranges with the sending and receiving organisations, a visa for the volunteer(s) who needs it. The National/Executive Agencies can issue visa support letters, if needed;
- Provides support for the learning/Youthpass process. Completes with the sending and receiving organisations and the volunteer, and issues, a Youthpass Certificate for those volunteers who want to receive it at the end of their EVS.

**SENDING ORGANISATION:**

**Preparation**
- Helps the volunteer(s) to find and contact a receiving organisation;
- Provides adequate preparation for the volunteer(s) before departure, according to the individual needs and learning opportunities of the volunteer(s) and in line with the Volunteer Training Guidelines and Minimum Quality Standards of the European Commission;
- Ensures, in cooperation with the receiving organisation, that the volunteer receives support in carrying out language preparation (if applicable, support to carry out the online language course and assessments provided by the Commission);
- Ensures the participation of the volunteer(s) in the pre-departure session, if organised by the National Agency or SALTO.

**Contact during the voluntary activity**
- Keeps in contact with the volunteer(s) and with the receiving organisation(s) during the project.

**Upon volunteer’s return**
- Provides support to volunteer(s) to help reintegrate them into their home community;
- Gives volunteers the opportunity to exchange and share experiences and learning outcomes;
- Encourages the involvement of the volunteer(s) in dissemination and exploitation of results and learning outcomes;
- Provides guidance regarding further education, training or employment opportunities;
- Ensures the participation of the volunteers in the annual EVS event organised by the National Agency in their country.

**RECEIVING ORGANISATION:**

Mentor
- identifies a mentor who is responsible for providing to the volunteer(s)
  
  ▪ personal support,
  
  ▪ support to carry out the online language course and assessments provided by the Commission (if applicable)
  
  ▪ Support to carry out a self-reflection on the learning outcomes of the EVS activity (through the use of Youthpass).

Task-related support
  
  ▪ Offers supervision and guidance to the volunteer(s) through experienced staff.

Personal support
  
  ▪ provides personal support and support during the learning / Youthpass process to volunteer(s);
  
  ▪ gives the volunteer(s) the opportunity to integrate into the local community, to meet other young people, to socialise, to participate in leisure activities, etc.;
  
  ▪ Encourages contact with other EVS volunteers whenever possible.

EVS training and evaluation cycle and language support
  
  ▪ ensures the participation of the volunteer(s) in the on-arrival training and mid-term evaluation organised by the NA or SALTO;
  
  ▪ Arranges language learning opportunities and support to volunteers undertaking language courses.

Principles of EVS
  
  ▪ ensuring universal accessibility to EVS: receiving organisations cannot specify that volunteer(s) should be of a specific ethnic group, religion, sexual orientation, political opinion, etc.; neither can they require qualifications or a certain educational level in order to select the volunteer(s); offering to the volunteer(s) the opportunity to carry out a well-defined set of tasks, allowing some of the volunteer’s ideas, creativity and experience to be integrated;
  
  ▪ Identifying clear learning opportunities for the volunteer(s).

Accommodation and food
  
  ▪ Providing suitable accommodation and meals (or a food allowance, covering also the holiday period) to the volunteer(s).

Local transport
  
  ▪ Ensures that means of local transport are available for the volunteer(s).

Allowance
• Gives the due allowance to the volunteer(s) on a weekly or monthly basis.
