Statistics for Erasmus+ in Scotland 2014-2017

The Erasmus+ UK National Agency publishes regular statistics reports including the amount of funding awarded and the number of projects across the UK and by country. Currently the reports cover the four years from the start of the Erasmus+ programme in 2014 to 2017.

On our statistics webpage you can find more information on the figures for Scotland along with reports on England, Northern Ireland, and Wales. We also publish UK-wide reports and information for each of the five Erasmus+ sectors – higher education, vocational education and training, schools, youth and adult education.
