

ERASMUS 

CREATING OPPORTUNITIES FOR THE UK ACROSS EUROPE

Webinar User Guide for attendees

Citrix GoToWebinar

Erasmus+ is the European Union programme for education, training, youth and sport.
The Erasmus+ UK National Agency is a partnership between the British Council and Ecorys UK.

Introduction

To get the most from your webinar experience, please take a moment to read through this user guide. It explains some of the technical requirements you need to check beforehand, interactive features of the software you can use during the webinar and how to contact us if you are having any technical difficulties.

Live Q&A webinars

Live Q&A webinar registration information can be found on the [‘application resources’ page](#). Please note: places are limited to 30 people per session on a ‘first come, first served’ basis. There is no presentation in a Q&A webinar: the format is centred around participants’ questions on the key elements of the application process including preparing to apply, eligibility of organisations and activities, how to approach the questions, programme funding rules, and project budgets.

It is therefore useful to watch the relevant recorded webinar before you join a live session. You can view all recorded webinars on [our YouTube channel](#).

Please note: **these webinars are only to support UK-based applicants**. If you are outside the UK, please contact your country’s Erasmus+ National Agency for application advice. Details are on the [European Commission’s website](#).

Register for a session

When you have clicked on the webinar you would like to attend, you will be taken to the registration form.

- Fill out all required fields in the registration form and click “Register”. Please note all questions marked with an asterisk have to be completed.
- Once you’ve successfully registered, you’ll see a Registration Confirmation page. You will immediately receive a confirmation email with all the information on how to join the session including the joining link. Please check your junk folder if you do not receive this email.

Downloading Citrix GoToWebinar

The webinar will run using Citrix GoToWebinar software. **Before you join a webinar session, please ensure you:**

- Have the correct system requirements for running the software which can be found here: http://support.citrixonline.com/en_US/webinar/all_files/G2W010002
- Join a test session to check that your computer has everything required: <https://www3.gotomeeting.com/join/406552062>
- If you do this you may be prompted to open “Citrix Online Launcher”, if so click “Run” or “Open”. If you see a “Connection test only” dialogue, you’ve successfully joined the test session:

- Test the audio settings you are using – for example check that the volume on your computer or speakers is turned on and clear for you to hear.
- If you're joining a webinar via app or phone, you can download the GoToWebinar app for [Android](#) or [iOS](#) and join from your mobile device. It provides slightly less functionality than on a desktop PC. If you wish to join the webinar via the app, please enter the Webinar ID which can be found in your confirmation email (it will resemble the format: 114-980-339).

Please note: If you are joining from a work PC it is recommended that you speak to your IT department beforehand, as some security settings may prevent the plugin needed to load the webinar from working.

Cancelling your registration

If you are no longer able to attend the webinar session, we encourage that you cancel your registration. To stop receiving emails about the webinar, access your confirmation email to cancel your registration.

- Open your Registration email from your inbox.
- Click the “Cancel your registration” link at the bottom of the email. You will be redirected to the Registration page (**Figure 2**).
- Click “Yes, Cancel Registration” on the “Are you sure?” pop-up message to cancel your registration.

2. Choose one of the following audio options:

TO USE YOUR COMPUTER'S AUDIO:

When the webinar begins, you will be connected to audio using your computer's microphone and speakers (VoIP). A headset is recommended.

How to use some of the webinar features

GoToWebinar has some useful tools which allow you to interact during the webinar. You can use the questions box to the right of your screen to type questions to the National Agency staff during the session. They will decide:

- If your question is relevant to the whole audience, they will reply to all sharing both your question and answer publically.
- If your question is specific to your organisation, they will respond to your question privately and only you will see the response.

The Control Panel (**Figure 4**) to the right of your screen provides access to all the webinar tools and functions available to you.

Your Participation

Open and close your control panel

Join audio:

- Choose **Mic & Speakers** to use VoIP
- Choose **Telephone** and dial using the information provided

Submit questions and comments via the Questions panel
